

CLOSING-EVENT: PRELIMINARY PROGRAM

DISCUSSING YOUROPE - THINK NEW, THINK BIG & THINK LOUD!

GRAZ 27TH – 30TH SEPTEMBER 2018

More than ever the obvious and profound crisis of united Europe requires the need to give the youth of Europe the chance to raise their voice and to contribute to a forward-looking transformation. This need and Austria's presidency of the Council of the European Union in the second term of 2018 are reasons and a mission for the Young European Federalists Styria to create and implement a project "FROM and FOR young people" to enable young people to actively contribute to the essential reshaping of THEIR Europe. Based on the motto "Discussing YOUrope – Think new, think big & think loud!" young people, decision-makers, experts and youth workers from Austria, Germany, Slovenia, Italy, Croatia and the Ukraine will be invited to discuss about the future of Europe and their living environment and to develop a new, brave and young narrative for Europe due to a transnational structured dialogue. We are convinced that our youth will save Europe if they are given the chance to do so!
